After the wedding ceremony drinks and canapés are served on the terrace and gardens (or inside the dance lodge if weather prevents outside entertaining).

The wedding breakfast is set up in the bar terrace, live lounge and cafe space (see seating plan for these areas). Classic styling at Bloomsburys will be prevalent throughout the inside eating areas. This includes old books, artefacts and seasonal flowers arranged freely in jam jars, tea pots etc.

We are happy to bend our styling to suit your colours and theme of your wedding (A more formal styling service can be offered at extra cost if required).

An area near to the entrance for wedding presents to be received will be set aside & we provide a vintage suitcase for this purpose.

Our BBQ is prepared fresh in our onsite kitchen, adjacent to our undercover tiled BBQ kitchen and comes fully equipped with professional cinders BBQ .

The top table would be usually be served first, after which all other tables would be guided to the BBQ area to be served by our team.

We serve the Prosecco and canapés to all guests.

Wines are placed on the tables to enjoy with your wedding breakfast & the bar will remain open for guests to purchase further drinks.

The second glass of Prosecco will be served to all tables in time for toasts.
